

Jester Club Board Meeting 5/17/2022

Jennifer, Margaret, Heidi and Thom in attendance

Unfinished business:

Pool furniture:

- Heidi emailed Tropitone to schedule a call to sort out outstanding items and large table issues

Kickoff Party:

- Should we do Craig-O's pizza truck instead of boxes? What is budget for pizza?
- Would JP dj and use Stagner's speakers?
- Should we do a coin toss into the pool? Or lifeguards run a game each hour on the hour?
- Coolers full of lemonade and water?
- Check with Michelle on budget for party to see if we can pick up tab on pizza and kona ice

Cell Tower:

- Any update since our ask of \$250k? Scott to provide.

JC Facebook:

- Shut down FB page?
- Could we keep and make a one-way info line?
- Get login from Vanessa.

Pool tile repairs:

- Work was done by Dan Barnhardt and they fell off again. He will try a different adhesive one more time, but may be more worthwhile to wait til fall and have more invasive repairs done.
-

New business:

Irrigation repairs:

- Irrigation repaired next to tennis courts
- Will be installing drip irrigation in June to protect new trees that were just planted
- Perhaps look to intermediary steps to restore cracking in pool, etc
