MEMBER. MEETINGS. AND VOTING RIGHTS

Section 1. Membership Eligibility.

- a. For each Lot in the Jester/Canyon Ridge Developments (which includes that Owner's immediate family residing with that Owner and other persons residing with that Owner on a full-time basis) shall be eligible to designate one Owner to be a Member of the Club.

Such designation shall be made by a majority vote of all such Owners, and shall be specified in a written notice to the Board of Directors of the Club by such Owners. Membership conveys Club usage rights (set forth in Section 8) to the Member's immediate family residing on that Lot, as well as to others residing on the Member's Lot on a full-time basis. The foregoing is not intended to include persons or entities holding an interest in a Lot merely as security for the performance of an obligation. Membership shall be appurtenant to, and must be concurrent with, the Ownership of any Lot. Any Member may substitute in said Member's place any tenant of that Member's unit so long as said tenant is occupying such unit. In the event of such substitution, such tenant shall be deemed an Owner for such purposes of use of the facilities, so long as such tenant occupies such property. Notwithstanding any such renting of a Lot or use of the facilities by the tenant, the Owner shall have and shall maintain the responsibility to pay all dues due or to become due hereunder. Any substitution shall terminate the Owner's right to use the facilities during the term of such substitution. In the event of any such substitution, the Member shall no longer have membership privileges for himself or his family and all such privileges shall inure to such tenant.

- b. Temporary memberships with no voting rights may be extended to families residing outside of Jester. These memberships will be allowed limited Club usage rights and privileges for limited periods as determined by the Board of Directors of the Club. These membership options may be terminated by the Board of Directors of the Club at any time.
- c. Full Membership rights may be extended to persons residing outside of Jester and Canyon Ridge Developments. These memberships will be known as "Class A (Non-Resident) A members," will be allowed full Club usage rights and privileges, but are not transferable. The availability of these memberships will be determined by the Board of Directors of the Club on an individual basis. These memberships will be made available in order to keep membership levels at an acceptable level to generate revenue for the Club to pay for maintenance and improvement to keep the Club operational. The Board of Directors will ensure that non-resident memberships do not prohibit memberships of Jester/Canyon Ridge residents by monitoring these membership numbers and capping them when necessary.

Except as otherwise provided in these Bylaws or in the Articles of Incorporation, all action to be taken or authorized by the Members shall be deemed validly taken or authorized upon adoption by vote of a majority of the Members present, in person or by proxy, at any properly called meeting at which a quorum is present.

Except as expressly set out herein, no other party is eligible for membership in the Club.

Section 2. Membership Types. There shall be three (3) types of membership in the Club. The types are as follows:

Class A. Class A membership shall be memberships of Owners admitted to this Club who do not qualify as a Class B member.

Class A (Non-Resident). Class A (Non-Resident) membership shall be memberships of persons not residing in Jester Estates or Canyon Ridge Developments.

Class B. Class B members shall be Owners who are admitted to this Club and who meet two of the following three limitations: (i) one Owner must be at least fifty-five (55) years of

age; (ii) such Owner(s) has no children residing on its Lot under the age of nineteen (19); and (iii) the Lot is improved with an in ground commercially constructed swimming pool.

Class C. Class C members shall be temporary memberships available as determined by the Board of Directors of the Club. These are available to family units living inside and outside of Jester as defined in Section 1.

Section 3. Membership Apportionment. There shall never be more than 450 Class A memberships in the Club or more than 150 Class B memberships in the Club.

Section 4. Membership Admission. Each eligible Owner shall submit an application for membership in form and content approved by the Board of Directors of the Club. Each application form must be completely filled in and must be signed by such applicant, together with proof of eligibility. The application must be accompanied by cash or check in full payment of the membership fee (discussed below) and one (1) year's dues in advance. The Club shall keep a list of all applicants who have been granted membership and all applicants who have applied, but because of number limitation, have not been granted membership. Any open memberships shall be on a first-come, first-serve basis for eligible Owners.

Section 5. Reinstatement of Membership. If a member drops membership and then desires to reinstate membership within two (2) years, the member may do so by paying a reinstatement fee set by the board but no more than one-half (1/2) of the current initiation fee and that year's dues in advance.

Section 6. Membership Fee and Membership Dues. The Club may charge a membership fee of up to \$1,000.00 for each membership which is issued by the Club itself to any Owner. Class A members shall pay dues (set by the Board of Directors), in advance, in full, no later than January 31st of each year for that year's dues. Class B members shall pay dues (set by Board of Directors), in advance, in full, no later than January 31st of each year for that year's dues. For any dues not paid by the due date for payment of such dues, there shall be a late fee of \$30.00.

The Board of Directors shall have the right, from time to time, to amend, modify, increase or otherwise change dues of Class A and Class B memberships as the Board may determine.

Section 7. Transfer. If a purchaser of a house in Jester or Canyon Ridge declines membership or fails to pay annual dues within one (1) month after such purchaser (or such purchaser's tenant) occupies such single-family dwelling, then the membership of such purchaser automatically reverts to the Ownership of the Club. Any Member shall have the right to transfer or assign its membership in the Club to any other Owner so long as such transferring Owner is not in default with its requirements as a Member, pays a transfer fee, up to \$1000.00 and the transferee Owner completes a membership application in accordance with the provisions hereof.

Section 8. Membership Rights. Each Member and such Member's immediate family residing on such Member's Lot shall have the right to use the recreational and meeting facilities of the Club in common with all other Members. The Board of Directors may establish such rules and regulations it deems necessary or desirable to provide for the safe and functional use of the facilities. The Board of Directors may allow Members to bring guests and may charge for such guests in an amount as the Board may determine. No other party shall be entitled to the use or benefit of the property of the Club. The Board of Directors may further provide for schedules, appointments, reservations and other means for assuring the enjoyment of the Recreational Lots and each portion of the facilities located thereon.

Section 9. Suspension and Termination of Membership. During any period in which a Member shall be in default in the payment of any dues or assessment levied by the Club, the voting rights and right to use the recreational facilities of such Member shall be suspended and may be terminated by the Board of Directors until such dues or assessment has been paid. If any such dues or assessment are not paid within fifteen (15) days of their due date, and continue to remain unpaid following ten (10) days after written notice of such failure, then the Board may immediately terminate such Member's membership in the Club. Any reinstatement shall be subject to the approval and consent of the Board and the Board can require the payment of a reinstatement fee or other conditions for reinstatement as the Board shall require. Reinstatement must be requested by the Member in writing within sixty (60) days of notice of termination. Such rights of a Member may also be suspended after notice and hearing, for a period not to exceed sixty (60) days, for violation of any rules and regulations established by the Board of Directors governing the use of the facilities.

Section 10. Annual Meetings. The Board of Directors may schedule the annual meeting for any day in the first quarter of each calendar year. If the Board of Directors schedules such a meeting, it will provide written notice to the Members at least ten (10) days prior to the annual meeting date. If the Board of Directors does not schedule an annual meeting, the annual meeting shall be on the last Tuesday in March of each calendar year unless such day is a legal holiday in which case the meeting will be held on the first day following which is not a legal holiday.

Section 11. Special Meetings. Special meetings of the Members may be called at any time by the President or the Board of Directors, or upon the written request of the Members who are entitled to vote by one-fourth (1/4th) of all members entitled to vote.

Section 12. Notice of Meetings. Written notice of each meeting of the Members shall be given by, or at the direction of, the Secretary or person authorized to call the meeting, by (e)mailing a copy of such notice, postage prepaid, at least ten (10) days, but not more than thirty (30) days, before such meeting to each Member entitled to vote at such meeting, addressed to the Member's address last appearing on the books of the club, or supplied in writing by such Member to the Club for the purpose of notice. Such notice shall specify the place, date and hour of the meeting, and, in the case of a special meeting, the purpose of the meeting.

Section 13. Quorum and Adjournment. The presence at any meeting, in person or by proxy, of Members entitled to cast twenty-five percent (25%) of the votes in the Club shall constitute a quorum for any action, except as otherwise provided for in the Articles of Incorporation or these Bylaws. If necessary to continue the business of such meeting, any meeting of the Club, whether annual or special, may be adjourned from time to time by a majority of those present, whether a quorum be present or not, without notice other than the announcement at the meeting, and such adjournment may be to such time, date and place as may be determined by a majority of the votes cast at such meeting. When the meeting is reconvened, the required quorum will be one-half (1/2) of the required quorum at the preceding meeting. The Club may call as many such subsequent meetings as may be required to achieve a quorum. Once a quorum is attained, any business can be transacted which might have been transacted at the original meeting, as originally called.

Section 15. Voting. Each Member shall have a vote or votes in the Club according to the Articles of the Club; provided, however, that with respect to memberships shall not be entitled to vote unless and until annual dues for such membership or memberships are paid by the Owner or Owners thereof to the Club.
